## MARFA

Dallasites who know Lorna Leedy mostly from her trunk shows at the Fitting Room will be surprised to learn **FANCY PONY LAND** (203 E. San Antonio St., 206-890-7658, fancyponyland.com) carries lots more than Leedy's signature Western-kitsch appliqués and pieced cotton dresses. In fact, most every surface of the shoebox store-and-studio is covered with something charmingly kooky and one-of-a-kind. Personal best buy: a pair of beaded, citron silk shoulder ornaments linked by a gold chain and dangling feathers.

**Vinyl-appliqued onesie.**
